

### 3<sup>rd</sup> Fajr Inventions and Innovations Exhibition (FINEX 2011)

Several Iranian researchers, companies and inventors have participated at the Third Fajr International Inventions and Innovations Exhibition in Tehran. This year exhibition divided in seven divisions such as, (patents judgment, patent industrialize and etc.). In patents judgment division, 600 patents selected from about 2000 patents was been invited. Our SPE members succeed to attend in this division.

It is our pleasure to announce that Mr. Bakhtbidar and Mohsen Ghorbankhani from Islamic Azad University, Omidieh Branch and Arash Moadel Haghigh from Unuversity of Tehran have participated in (FINEX 2011).
